From M5 Exeter

Take the A30 heading south west signed Bodmin. After the Launceston turning still heading to Bodmin, pass the Jamaica Inn turning. Shortly after this, take a left turn signed Colliford Lake. Drive for 3 miles crossing over 4 cattle grids, (do not turn off right to Warleggan) – you will see our sign at this point. Just before the fifth cattle grid, fork right signed Mennabroom Farm and Cottages (unsuitable for HGVs). After approximately 75 yards, turn right at the Mennabroom sign, drive over the cattle grid and follow the drive to the farmhouse.

From A38 Plymouth

Take the A38 to Liskeard. From Liskeard continue towards Bodmin along the A38. Follow signs to St. Neot/Carnglaze Caverns. Drive through St. Neot and up Tripp Hill. Turn right at the first signpost to Colliford Lake, straight after the cattle grid at the top of the hill. At the next junction bear right (crossing another cattle grid) and continue for approximately 2 miles, passing Trevenna and over Penkester Moor cattle grid. Just before the next cattle grid you will see Mennabroom signed, and you should turn sharp left straight after it. This lane is signed Mennabroom Farm and Tamar and is also unsuitable for HGV's. After approximately 75 yards, turn right at the Mennabroom sign, drive over the cattle grid and follow the drive to the farmhouse.
